

Defibrillator Awareness Session

on Tuesday 14th May 2024, 7pm

at Barsham & Houghton Village Hall, East Barsham

This session has been organised with The Community Heartbeat Trust, following the installation of a new Defibrillator, located on the front wall of the Barsham & Houghton Village Hall.

The session will be **Free of charge** for local parishioners to attend.

If you are interested in attending the session you are welcome to just turn up on the evening, however there is a maximum attendance capacity and to gauge numbers it would be helpful if you send us an email in advance to barshamclerk@gmail.com

Many thanks
